Libraries & Frameworks: JQuery, Reactjs, Node.js, Express, Bootstrap, Bulma,

Other: Git, Github, Media Queries, APIs, JSON, REST, AJAX, Sequelize, Agile methods

EXPERIENCE

SOFTWARE QA TEST & PRODUCT DESIGN LEAD / TAYLOR TECHNOLOGIES, INC.

Jan 2016 – Jan 2018

- Led UX/UI design changes for a cloud platform with 6 applications serving over 10 user types ranging from B2B business partners to consumer users • Saw 26% increase in user retention and 50% increase in user activity over a 1-year period • Designed interface changes and permissions for 2 new user personas, resulting in more new user signups in the first 4 months of 2017 than all of 2016

DIRECTOR OF MARKETING AND UI/UX / FLYWHEEL MANAGER LLC.

Sept 2015 – April 2017

- Led UX/UI design of web app, adding new features and fully responsive layouts • Directed marketing media and web page content • Managed new-user on-boarding and customer success efforts, such as developing, organizing, and presenting training demonstrations and materials.

CREATIVE DIRECTOR / FULL SOCIETY LLC.

Nov 2014 – Nov 2015

- Founding member of Full Society, a tech startup in mobile restaurant payments, that continues to operate successfully as GoTab, Inc. • Wrote winning grant proposals for Accelerate Baltimore and TEDCO business competitions • Directed marketing content for successfully funded Indiegogo campaign • Efforts resulted in raising over \$150K in funding for the startup company
